

# MARCH NEWSLETTER

## ISAT Testing

State testing begins the week of March 1st. Parents can help their children do their best on tests by:

1. Making sure students get plenty of sleep
2. Encouraging good food choices-especially for breakfast
3. Encouraging best efforts on tests
4. Remind children to read directions carefully and if a question is really difficult it is OK to move on and come back to it.
5. Boost your child's confidence by reminding them of past success.
