Sale end date – Wednesday, April 15th

Due date for paperwork and money – Friday, April 17th

***Any paperwork and money turned in after April 17th WILL NOT BE ORDERED!

Order Information:

All money is due with the placement of each order. Please make checks payable to PC Cheerleaders. The orders typically take 2-3 weeks to process. We expect the orders to be in anywhere between May 15th-22nd. All girls are required to sell a minimum of 15 items. The company provides incentive prizes for each participant based on their individual sales. The day before the orders are delivered, we will contact all of you to come and pick up your orders. We will need a few parents to help us check-in all of the orders. All items will need to be picked up and distributed the day they are delivered to the school.
