1. We will bring a bus home early if there is enough interest. Please write by your name whether you will be coming home on the early bus, riding with your parents, or staying and riding the late bus home. As usual, if you are riding home with your parents or friends you must have a note before we leave the school and sign out on the sign out list in the front seat of the van.
2. The Music Boosters are sponsoring a tailgate party after your performance to celebrate the end of our competition season. Tell your family and friends to find our buses parked in Lot E-14 or in the grass area west of the stadium. We will have porkburgers, hot dogs, chips, veggies, cookies, and pop. All band members eat free. Parents and friends are invited to eat with us as well and we ask for a donation from them. Plan on partying with us!!!!
3. We will dress in pants and shoes before we leave. You may leave coats and hats on the uniform racks if you wish.
4. Remember loading etiquette!!!
5. Please thank all those parents and friends who have helped us this season.
6. Pictures will be taken after our performance and videos are also available to order.
7. Drumline and pit – Load the trailer after the football game Friday night.
8. Have fun – you deserve it. **You are the best band I have ever had!!!!!!**
