

The Junior class is selling glow in the dark bracelets with the slogan SAVE A LIFE...DON'T TEXT & DRIVE for \$3. AT &T has launched a national campaign to raise awareness of the dangers of texting and driving among teenage drivers.

By taking the pledge, students and adults demonstrate their commitment not to text while they are driving. Participating high schools that send the most text pledges, with their individual school code will win prizes for their school.

Everyone get out your phones and go to New Message, then Text Message now punch in 464329 and then in the text area type in WAIT 132. This code of 132 will automatically keep a tally of how many are pledged from our school and community.

Thanks for pledging! Please have your family and friends pledge. The cost is FREE and you do not have to have a AT & T as your provider.
