

FOR PUBLICATION IN THE JULY 5 AND JULY 26 ISSUES

Official as of June 16, 2011

PRAIRIE CENTRAL COMMUNITY UNIT SCHOOL DISTRICT NO. 8

The first day of school for students will be Tuesday, August 23rd. An abbreviated schedule will be followed that day, with dismissal at 1 PM. School will operate on a shortened schedule (dismissal 1 hour early) from August 24th to September 2nd. Buses and cafeterias will operate beginning August 23rd. On Sept. 6th, the normal bell schedule will begin unless extreme heat causes the early dismissal schedule (1 hour early) to be extended. This decision will be made on a day-to-day basis and parents will be notified via radio or the rapid communication system.

PHYSICAL EXAMINATION - IMMUNIZATION REQUIREMENTS

Students entering ECE, Pre-K, Kindergarten, Sixth Grade, and Ninth Grade are required to have a physical and updated immunization. The immunizations include the basic “baby shots” with boosters of DPT, Polio, and MMR after the age of 4. The Varicella vaccine is now required. If your child has had the Chicken Pox (Varicella) disease, we will require a note from your physician. For students entering fifth grade, immunizations would include the Hepatitis B vaccine (series of 3 shots) and for students entering ninth grade, immunizations would include Diphtheria and Tetanus (DPT) vaccine. All students entering K, 2nd, & 6th grade will also be required to have a dental exam completed. An exam after August 23, 2010 is acceptable if recorded on a dental examination form approved by the State of Illinois. Student entering K will also be required to have an eye exam.

LEAD TESTING REQUIREMENT

Each child aged six and younger must have a blood test for lead prior to being admitted to school.

NEW STUDENTS

New students to the school district should contact the school offices for information on physical examination and immunization requirements.
