ILLINOIS
SCHOOL
REPORT
CARD

GRADES : PK K 1 2 3 4

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian	Native Hawaiian /Pacific Islander	American Indian	Two or More Races	Percent Low-Income	Percent Limited-English-Proficient	Percent IEP	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	90.4	0.5	5.9	0.0	0.0	0.0	3.2	40.1	0.0	19.8		0.0	7.8	96.8	187
District	92.7	1.2	2.8	0.6	0.0	0.0	2.7	37.1	0.0	18.0		0.4	12.6	95.5	2,154
State	51.4	18.3	23.0	4.1	0.1	0.3	2.8	48.1	8.8	14.0		3.2	12.8	94.0	2,074,806

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

IEP Students are those students eligible to receive special education services.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Total Enrollment is based on Home School.

INSTRUCTIONAL SETTING

				Site & Construction/ Capital Improvement	\$0	0.0	6.4
				TOTAL	\$21,531,138		

OTHER FINANCIAL INDICATORS				
	2008 Equalized Assessed Valuation per Pupil	2008 Total School Tax Rate per \$100	2009-10 Instructional Expenditure per Pupil	2009-10 Operating Expenditure per Pupil
District	\$92,888	6.16	\$6,220	\$9,795
State	**	**	\$6,773	\$11,537

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Two or More Races														
LEP														
Students with Disabilities														
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

- At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
- At least 85% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 85% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
- At least 91% attendance rate for non-high schools and at least 82% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2010.

** Safe Harbor Targets of 85% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Meadowbrook Elementary School continued to make improvements and experience success during the 2010-2011 school year. Below are some highlights from our School Report Card.

- 90.0% of our 3rd grade students met or exceeded state standards in Reading.
- 90.0% of our 3rd grade students met or exceeded state standards in Math.
- 96.4% of our 4th grade students met or exceeded state standards in Reading.
- 100% of our 4th grade students met or exceeded state standards in Math.
- 100% of our 4th grade students met or exceeded state standards in Science.

The Meadowbrook School community continues to focus on the school climate and learning community when assessing needs and developing school improvement goals. Success in each of these areas will continue to assure our students are being offered the highest quality education in a safe, secure, and friendly environment.

Following is a summary of goals for the 2011-2012 school year. These goals reflect primary focal points and are not intended to be all encompassing. In fact, we will look well beyond these goals to creatively develop ideas, activities, methods, and strategies that will give each and every student at Meadowbrook Elementary School the opportunity to reach his or her full potential.

The Meadowbrook faculty and staff will once again plan activities that have a positive impact on school climate. By working together faculty, staff and families can assure that students will learn in a safe, secure, and pleasant school environment. It is our goal to plan experiences that go well beyond the textbooks and curriculum to motivate and inspire students while also leaving them with lasting memories.

Assemblies, reading incentive programs, field trips, Red Ribbon Week, an anti-bullying program, school safety initiatives, and weekly assemblies focusing on character education and anti-bullying will highlight the calendar.

In 2011-2012 we will continue to develop and implement activities and programs that promote and support scientifically research-based best practice in teaching and learning. We will focus on further perfecting Response to Intervention (RtI) for reading. Students who are reading and writing below grade level will continue to receive scientifically research-based interventions and their progress will be monitored frequently. We also implemented our math RtI program at the beginning of last year and will be monitoring our interventions and progress closely. We will continue to incorporate data days to analyze data on each student. This data analysis will drive the instruction for individual students. The K-2 teachers have begun to map our curriculum on Curriculum Mapper as part of the process to transition to the new Common Core Standards which will go into effect during 2014-2015.

Our staff will use various instructional strategies such as: guided reading, guided math, small group instruction, and a focus on differentiated instruction to maintain and improve upon our high level of expectations for our students. We have workshop time in our daily schedule to provide intervention, challenge, or enrichment based on individual student needs. The "Envision Program" has been added to our curriculum to challenge our advanced learners and provide more enrichment for them.

Parental involvement, faculty/staff in-services, and grade level meetings will remain a high priority to ensure continued improvement in teaching and learning. The principal, faculty, and staff will work together as a team in order to attain these goals and provide the best education possible for all students at Meadowbrook School.
