Fairbury Community Fund
Payroll Deduction Authorization Form for Voluntary Contributions

The Fairbury Community Fund distributes monies to 19 agencies in the local area. Of the 19 agencies, 14 assist Livingston County residents and even some McLean County residents – so it is not *only* Fairbury residents that benefit. ‘Give as you earn’ is one of the easiest, most hassle-free ways to donate regularly to the Fairbury Community Fund. Please complete this form and return it to the Unit Office to start your planned giving!
