BLUE CROSS AND BLUE SHIELD

Your Group has entered into an agreement with us (Health Care Service Corporation, a Mutual Legal Reserve Company, the Blue Cross and Blue Shield Plan serving the state of Illinois) to provide you with this health care benefit program. Like most people, you probably have many questions about your coverage. This Certificate contains a great deal of information about the services and supplies for which benefits will be provided under your health benefit program. Please read your entire Certificate very carefully. We hope that most of the questions you have about your coverage will be answered.

In this Certificate we refer to our company as “Blue Cross and Blue Shield” and we refer to the company that you work for as the “Group.” The Definitions Section will explain the meaning of many of the terms used in this Certificate. All terms used in this Certificate, when defined in the Definitions Section, begin with a capital letter. Whenever the term “you” or “your” is used, we also mean all eligible family members who are covered under Family Coverage.

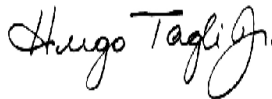

If you have any questions once you have read this Certificate, talk to your Group Administrator or call us at your local Blue Cross and Blue Shield office. It is important to all of us that you understand the protection this coverage gives you.

Welcome to Blue Cross and Blue Shield! We are very happy to have you as a member and pledge you our best service.

Sincerely,

NOTICE

Please note that Blue Cross and Blue Shield of Illinois has contracts with many health care Providers that provide for Blue Cross and Blue Shield to receive, and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers.

Please refer to the provision entitled “Blue Cross and Blue Shield’s Separate Financial Arrangements with Providers” in the GENERAL PROVISIONS section of this booklet for a further explanation of these arrangements.

WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the policy. **YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED IN THE POLICY AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Non-Participating Providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

DEFINITIONS SECTION

Throughout this Certificate, many words are used which have a specific meaning when applied to your health care coverage. These terms will always begin with a capital letter. When you come across these terms while reading this Certificate, please refer to these definitions because they will help you understand some of the limitations or special conditions that may apply to your benefits. If a term within a definition begins with a capital letter, that means that the term is also defined in these definitions. All definitions have been arranged in ALPHABETICAL ORDER.

AMBULANCE TRANSPORTATION.....means local transportation in a specially equipped certified vehicle from your home, scene of accident or medical emergency to a Hospital, between Hospital and Hospital, between Hospital and Skilled Nursing Facility or from a Skilled Nursing Facility or Hospital to your home. If there are no facilities in the local area equipped to provide the care needed, Ambulance Transportation then means the transportation to the closest facility that can provide the necessary service.

AMBULATORY SURGICAL FACILITY.....means a facility (other than a Hospital) whose primary function is the provision of surgical procedures on an ambulatory basis and which is duly licensed by the appropriate state and local authority to provide such services.

A “Plan Ambulatory Surgical Facility” means an Ambulatory Surgical Facility which has a written agreement with Blue Cross and Blue Shield of Illinois or another Blue Cross and Blue Shield Plan or Blue Cross Plan to provide services to you at the time services are rendered to you.

The ADP will often vary from Claim-to-Claim. The ADP applicable to a particular Claim for Covered Services is the ADP, current on the date the Covered Service is rendered, that is determined by Blue Cross and Blue Shield to be relevant to the particular Claim. The ADP reflects Blue Cross and Blue Shield’s reasonable estimate of average payments, discounts and/or other allowances that will result from its contracts with Hospitals and other facilities under circumstances similar to those involved in the particular Claim, reduced by an

amount not to exceed 15% of such estimate, to reflect related costs. (See provisions of this Certificate regarding “Blue Cross and Blue Shield’s Separate Financial Arrangements with Providers.”) In determining the ADP applicable to a particular Claim, Blue Cross and Blue Shield will take into account differences among Hospitals and other facilities, Blue Cross and Blue Shield’s contracts with Hospitals and other facilities, the nature of the Covered Services involved and other relevant factors. The ADP shall not apply to Eligible Charges when your benefits under this Certificate are secondary to Medicare and/or coverage under any other group program.

ELIGIBILITY SECTION

This Certificate contains information about the health care benefit program for the persons in your Group who meet the definition of an Eligible Person as specified in the Group Policy and have applied for this coverage.

If you meet this description of an Eligible Person, have applied for this coverage and have received a Blue Cross and Blue Shield ID card, then you are entitled to the benefits of this program.

Replacement of Discontinued Group Coverage

When your Group initially purchases this coverage and such coverage is purchased as replacement of coverage under another carrier's group policy, those persons who are Totally Disabled on the effective date of this Policy and were covered under the prior group policy will be considered Eligible Persons under this Certificate.

Your Totally Disabled dependents will be considered eligible dependents under this Certificate if such dependents meet the description of an eligible family member as specified in the Eligibility Section of this Certificate.

Your dependent children who have reached the limiting age of this Certificate but were covered under the prior group policy and are mentally retarded or physically handicapped and dependent upon you for support and maintenance will be considered eligible dependents under this Certificate.

If you are Totally Disabled, you will be entitled to all of the benefits described in this Certificate. The benefits of this Certificate will be coordinated with the benefits under your prior group policy. Your prior group policy will be considered the primary coverage for all services rendered in connection with your disabling condition when no coverage is available under this Certificate whether due to absence of coverage in this Certificate or lack of required Creditable Coverage for a preexisting condition.

MEDICARE ELIGIBLE COVERED PERSONS

If you meet the definition of an Eligible Person stated in the ELIGIBILITY Section above and you are eligible for Medicare and not affected by the "Medicare Secondary Payer" (MSP) laws as described below, the benefits described in the section of this Certificate entitled "Benefits for Medicare Eligible Covered Persons" will apply to you and to your spouse and covered dependent children (if he or she is also eligible for Medicare and not affected by the MSP laws).

A series of federal laws collectively referred to as the "Medicare Secondary Payer" (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan ("GHP") coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the employer or whether the individual has “current employment status.”
2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more employees if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more employees, the MSP rules apply even with respect to employers of fewer than 20 employees (unless the plan elects the small employer exception under the statute).
3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more employees, if the individual or a member of the individual’s family has “current employee status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more employees, the MSP rules apply even with respect to employers of fewer than 100 employees.

PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.

YOUR MSP RESPONSIBILITIES

In order to assist your employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from Blue Cross and Blue Shield and/or your employer regarding the Medicare eligibility of you, your spouse and covered dependent children. In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your employer or your group administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.

YOUR BLUE CROSS AND BLUE SHIELD ID CARD

You will receive a Blue Cross and Blue Shield identification card. This card will tell you your Blue Cross and Blue Shield identification number and will be very important to you in obtaining your benefits.

INDIVIDUAL COVERAGE

If you have Individual Coverage, only your own expenses for Covered Services are covered, not the expenses of other members of your family.

CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE

You can change from Individual to Family Coverage, either because of:

- marriage

- the birth or adoption of a child
- obtaining legal guardianship of a child
- previous health insurance coverage terminating which was in effect when you were first eligible to enroll for coverage under this Certificate and which is not terminating for failure to pay premiums or fraudulent cause, and where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment.

If you make application for this change within 31 days of the marriage, birth, adoption, interim court order of adoption or placement of adoption vesting temporary care or obtaining legal guardianship, your Family Coverage will be effective from the date of the marriage, birth, adoption, interim court order of adoption or placement of adoption or legal guardianship.

If you make application for Family Coverage within 31 days of the termination of previous health coverage, your Family Coverage will be effective from the date you make application for coverage.

If you do not make application for Family Coverage within those 31 days, you will have to wait until your Group's annual open enrollment period to make those changes. Such changes will be effective on a date that has been mutually agreed to by your Group and Blue Cross and Blue Shield.

FAMILY COVERAGE

If you have Family Coverage, your expenses for Covered Services and those of your enrolled spouse and your (or your spouse's) enrolled unmarried children who are under age 19 will be covered. Enrolled unmarried children who are full-time students will be covered up to age 25. The coverage for unmarried children will end on the birthday.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth so that your membership records can be adjusted.

Any children who are dependent upon you or other care providers for support and maintenance because of a handicapped condition occurring prior to reaching the limiting age will be covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

This coverage does not include benefits for grandchildren (unless such children are under your legal guardianship) or foster children.

ADDING DEPENDENTS TO FAMILY COVERAGE

You can add additional dependents to your Family Coverage, either because of:

- marriage

- the birth or adoption of a child
- obtaining legal guardianship of a child
- previous health insurance coverage terminating which was in effect when you were first eligible to enroll for coverage under this Certificate and which is not terminating for failure to pay premiums or fraudulent cause, and where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment.

If you make application to add additional dependents to your Family Coverage within 31 days of the marriage, birth, adoption, interim court order of adoption or placement of adoption vesting temporary care or legal guardianship, coverage for your dependents will be effective from the date of the marriage, birth, adoption, interim court order of adoption or placement of adoption or legal guardianship. However, an application to add a newborn to Family Coverage is not necessary if an additional premium is not required. Please notify your Group Administrator so that your membership records can be adjusted.

If you make application to add dependents to your Family Coverage within 31 days of the termination of previous health coverage, your dependents coverage will be effective from the date you make application for coverage.

If you do not make application to add additional dependents (other than a newborn for whom no additional premium is required) to your Family Coverage within those 31 days, you will have to wait until your Group's annual open enrollment period to make those changes. Such changes will be effective on a date that has been mutually agreed to by your Group and Blue Cross and Blue Shield.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this Certificate if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Group terminates.

Termination of the Group Policy automatically terminates your coverage under this Certificate. It is the responsibility of your Group to notify you of the termination of the Group Policy, but your coverage will automatically terminate as of the effective date of termination of the Group Policy regardless of whether such notice is given.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under this Certificate except as otherwise specifically stated in the “Extension of Benefits in Case of Termination” provisions of this Certificate or as specified below when your entire Group’s coverage terminates. However, termination of the Group Policy and/or your coverage under this Certificate shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this Certificate, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible (for example, date of marriage, date of divorce, date the limiting age is reached).

Upon the death of an Eligible Person, dependents under his or her family coverage will have the option to continue coverage for a period of 90 days subject to any other Certificate provisions relating to termination of such person’s coverage, provided such person makes payment for coverage.

Other options available for Continuation of Coverage are explained in the Continuation of Coverage After Termination Sections of this Certificate.

Upon termination of your coverage under this Certificate, you will be issued a Certificate of Creditable Coverage. You may request a Certificate of Creditable Coverage within 24 months of termination of your or your dependent’s coverage under this Certificate.

CONVERSION PRIVILEGE

If your coverage under this Certificate should terminate and you want to continue Blue Cross and Blue Shield coverage with no interruption, you may do so if you have been insured under this coverage for at least 3 months and your Group has not cancelled this coverage and replaced it with other coverage. Here is what to do:

1. Tell Blue Cross and Blue Shield or your Group Administrator that you wish to continue your coverage and you will be provided with the necessary application.
2. Send the application and first premium to Blue Cross and Blue Shield within 31 days of the date you leave your Group or within 15 days after you have been given written notice of the conversion privilege, but in no event later than 60 days after you leave your Group.

Having done so, you will then be covered by Blue Cross and Blue Shield on an individual “direct pay” basis. This coverage will be effective from the date your Group coverage terminates so long as the premiums charged for the direct pay coverage are paid when due.

These direct pay benefits (and the premium charged for them) may not be exactly the same as the benefits under this Certificate. However, by converting your coverage, your health care benefits are not interrupted and you will not have to repeat waiting periods (if any).

Should any or all of your dependents become ineligible for coverage under this Certificate, they may convert to direct pay coverage by following the instructions stated above.

Blue Cross and Blue Shield has established the Medical Services Advisory Program (MSA) to perform a review of the following Covered Services **prior** to such services being rendered:

- Inpatient Hospital services
- Skilled Nursing Facility services
- services received in a Coordinated Home Care Program
- Private Duty Nursing Services

The MSA Program is staffed primarily by registered nurses and other personnel with clinical backgrounds. The Physicians in our Medical Department are an essential part of the MSA Program.

The provisions of the MSA PROGRAM section do not apply to the treatment of Mental Illness and Substance Abuse Rehabilitation Treatment. The provisions for the treatment of Mental Illness and Substance Abuse Rehabilitation Treatment are specified in the BLUE CROSS AND BLUE SHIELD MENTAL HEALTH UNIT section of this Certificate.

PREADMISSION REVIEW

- **Inpatient Hospital Preadmission Review**

Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

Whenever a nonemergency or nonmaternity Inpatient Hospital admission is recommended by your Physician, you must, in order to receive maximum benefits under this Certificate, call the MSA. This call must be made at least one business day prior to the Hospital admission.

If the proposed Hospital admission or health care services are not Medically Necessary, it will be referred to a Blue Cross and Blue Shield Physician for review. If the Blue Cross and Blue Shield Physician concurs that the proposed admission or health care services are not Medically Necessary, some days, services or the entire hospitalization will be denied. The Hospital and your Physician will be advised by telephone of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. The MSA will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission.

- **Emergency Admission Review**

Emergency admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

In the event of an emergency admission, you or someone who calls on your behalf must, in order to receive maximum benefits under this Certificate, notify the MSA no later than two business days or as soon as reasonably possible after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Maternity Admission Review**

Maternity admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions of this Certificate.

In the event of a maternity admission, you or someone who calls on your behalf must, in order to receive maximum benefits under this Certificate, notify the MSA no later than two business days after the admission has occurred in order to have the Inpatient Hospital admission reviewed. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Skilled Nursing Facility Preadmission Review**

Skilled Nursing Facility preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

Whenever an admission to a Skilled Nursing Facility is recommended by your Physician, you must, in order to receive maximum benefits under this Certificate, call the MSA. This call must be made at least one business day prior to the scheduling of the admission. When you call the MSA, a case manager may be assigned to you for the duration of your care.

- **Coordinated Home Care Program Preadmission Review**

Coordinated Home Care Program preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

Whenever an admission to a Coordinated Home Care Program is recommended by your Physician, you must, in order to receive maximum benefits under this Certificate, call the MSA. This call must be made at least one business day prior to the scheduling of the admission. When

you call the MSA, a case manager may be assigned to you for the duration of your care.

- **Private Duty Nursing Service Review**

Private Duty Nursing Service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

Whenever Private Duty Nursing Service is recommended by your Physician, you must, in order to receive maximum benefits under this Certificate, call the MSA. This call must be made at least one business day prior to receiving services. When you call the MSA, a case manager may be assigned to you for the duration of your care.

CASE MANAGEMENT

After your case has been evaluated, you may be assigned a case manager. In some cases, if your condition would require care in a Hospital or other health care facility, the case manager may recommend an alternative treatment plan.

Alternative benefits will be provided only so long as Blue Cross and Blue Shield determines that the alternative services are Medically Necessary and cost effective. The case manager will continue to monitor your case for the duration of your condition. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under this Certificate.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations, and exclusions of this Certificate.

LENGTH OF STAY/SERVICE REVIEW

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Certificate as well as the Preexisting Condition waiting period, if any.

Upon completion of the preadmission or emergency review, the MSA will send you a letter confirming that you or your representative called the MSA. A letter assigning a length of service or length of stay will be sent to your Physician and/or the Hospital.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary as determined by the MSA. In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to a Blue Cross and Blue Shield Physician for review.

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the MSA. Should the Blue Cross and Blue Shield Physician concur that the Inpatient care or other health care services or supplies are not Medically Necessary, written notification of the decision will be provided to you, your Physician, and/or the Hospital or other Provider, and will specify the dates or services that are not in benefit. For further details regarding Medically Necessary care and other exclusions from coverage under this Certificate, see the section entitled, "EXCLUSIONS - WHAT IS NOT COVERED."

The MSA does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Physician. The MSA's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under this Certificate.

In the event that Blue Cross and Blue Shield determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, Blue Cross and Blue Shield will not be responsible for any related Hospital or other health care service charge incurred.

Remember that your Blue Cross and Blue Shield Certificate does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, Blue Cross and Blue Shield will not pay for the hospitalization, services or supplies if the MSA and the Blue Cross and Blue Shield Physician decide they were not Medically Necessary.

MSA PROCEDURE

When you contact the MSA, you should be prepared to provide the following information:

1. the name of the attending and/or admitting Physician;
2. the name of the Hospital where the admission has been scheduled and/or the location where the service has been scheduled;

When you contact the MSA, the MSA:

1. will review the medical information provided and may follow up with the Provider;

2. may determine that the services to be rendered are not Medically Necessary.

APPEAL PROCEDURE

If you or your Physician disagree with the determination of the MSA prior to or while receiving services, you may appeal that decision by contacting the MSA or the Blue Cross and Blue Shield Medical Director.

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter from the MSA, you may appeal that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Medical Director
Health Care Service Corporation
P. O. Box A3957
Chicago, Illinois 60601

You must exercise the right to this appeal as a precondition to taking any action against Blue Cross and Blue Shield, either at law or in equity.

Once you have requested this review, you may submit additional information and comments on your Claim to Blue Cross and Blue Shield as long as you do so within 30 days of the date you asked for a review. Also, during this 30 day period, you may review any relevant documents held by Blue Cross and Blue Shield, if you request an appointment in writing.

Within 30 days of receiving your request for review, Blue Cross and Blue Shield will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the MSA will not interfere with your relationship with any Provider. However, Blue Cross and Blue Shield has established the MSA program for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits provided under this Certificate.

Should you fail to notify the MSA as required in the Preadmission Review provision of this section, you will then be responsible for the first \$1,000 of the Hospital or facility charges for an eligible stay or \$1,000 of the charges for eligible Covered Services for Private Duty Nursing in addition to any deductibles, Copayments and/or Coinsurance applicable to this Certificate. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this Certificate nor can it be applied to your out-of-pocket expense limit, if applicable to this Certificate.

MEDICARE ELIGIBLE MEMBERS

The provisions of this Medical Services Advisory Program do not apply to you if you are Medicare Eligible and have secondary coverage provided under this Certificate.

The Mental Health Unit is staffed primarily by Physicians, Psychologists, Clinical Social Workers and registered nurses.

Failure to contact the Mental Health Unit or to comply with the determinations of the Mental Health Unit will result in a reduction of benefits. The Mental Health Unit may be reached twenty-four (24) hours a day, 7 days a week at the toll-free telephone number 1-800-851-7498. Please read the provisions below very carefully.

This call must be made at least one day prior to the Hospital admission.

If the proposed Hospital admission does not meet the criteria for Medically Necessary care, it will be referred to a Physician in the Mental Health Unit. If the Mental Health Unit Physician concurs that the proposed admission does not meet the criteria for Medically Necessary care, some days or the entire hospitalization will be denied. Your Physician and the Hospital will be advised by telephone of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. The Mental Health Unit will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission.

- **Emergency Mental Illness Admission Review**

In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to a Mental Health Unit Physician for review.

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Mental Health Unit. Should the Mental Health Unit Physician concur that the Inpatient care or other health care services or supplies are not Medically Necessary, written notification of the decision will be provided to you, your Physician, and/or the Hospital or other Provider, and will specify the dates that are not in benefit. For further details regarding Medically Necessary care and other exclusions from coverage under this Certificate, see the section entitled, "EXCLUSIONS - WHAT IS NOT COVERED."

The Mental Health Unit does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Physician. The Mental Health Unit's determination of Medically Necessary care is limited to merely

whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under this Certificate.

In the event that the Mental Health Unit determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, Blue Cross and Blue Shield will not be responsible for any related Hospital or other health care service charge incurred.

Remember that your Blue Cross and Blue Shield Certificate does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, Blue Cross and Blue Shield will not pay for the hospitalization, services or supplies if the Mental Health Unit Physician decides they were not Medically Necessary.

You must exercise the right to this appeal as a precondition to taking any action against Blue Cross and Blue Shield, either at law or in equity.

Once you have requested this review, you may submit additional information and comments on your Claim to Blue Cross and Blue Shield as long as you do so within 30 days of the date you asked for a review. Also, during this 30 day period, you may review any relevant documents held by Blue Cross and Blue Shield, if you request an appointment in writing.

Within 30 days of receiving your request for review, Blue Cross and Blue Shield will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Mental Health Unit will not interfere with your relationship with any Provider. However, the Mental Health Unit has been established for the specific purpose of assisting you in maximizing your benefits provided under this Certificate.

Should you fail to notify the Mental Health Unit as required in the Preadmission Review provision of this section, you will then be responsible for the first \$1,000 of the Hospital charges for an eligible Hospital stay in addition to any deductibles, Copayments and/or Coinsurance applicable to this Certificate. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this Certificate nor can it be applied to your out-of-pocket expense limit, if applicable to this Certificate.

INDIVIDUAL BENEFITS MANAGEMENT PROGRAM (“IBMP”)

In addition to the benefits described in this Certificate, if your condition would otherwise require continued care in a Hospital or other health care facility, provision of alternative benefits for services rendered by a Participating Provider in accordance with an alternative treatment plan may be available to you.

Alternative benefits will be provided only so long as Blue Cross and Blue Shield determines that the alternative services are Medically Necessary and cost effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under this Certificate.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations or exclusions of this Certificate.

MEDICARE ELIGIBLE MEMBERS

The provisions of the BLUE CROSS AND BLUE SHIELD MENTAL HEALTH UNIT section do not apply to you if you are Medicare Eligible and have secondary coverage provided under this Certificate.

THE PARTICIPATING PROVIDER OPTION

Your employer has chosen Blue Cross and Blue Shield's Participating Provider Option for the administration of your Hospital and Physician benefits and all other Covered Services. The Participating Provider Option is a program of health care benefits designed to provide you with economic incentives for using designated Providers of health care services.

As a participant in the Participating Provider Option you will receive a directory of Participating Hospitals. While there may be changes in the directory from time to time, selection of Participating Hospitals by Blue Cross and Blue Shield will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Group Administrator annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Provider before undergoing treatment to make certain of its participation status. Although you can go to the Hospital or Professional Provider of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Provider.

Before reading the description of your benefits, you should understand the terms "Benefit Period" and "Deductible" as defined below.

YOUR BENEFIT PERIOD

Your benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date, and ends on the first December 31st following that date.

YOUR DEDUCTIBLE

If you have Individual Coverage, each benefit period you must satisfy a \$1,500 benefit program deductible before receiving benefits. After you have Claims for Covered Services in a benefit period which exceed this deductible amount, your benefits will begin.

Each time you are admitted to a Non-Participating Hospital or Non-Plan Hospital, you must satisfy a \$300 deductible. This deductible is in addition to your program deductible.

If you have Family Coverage and your family has satisfied the family deductible amount of \$3,000, it will not be necessary for anyone else in your family to meet a benefit program deductible in that benefit period. That is, for the remainder of that benefit period, no other family members will be required to meet the benefit program deductible before receiving benefits. No one is eligible for benefits under Family Coverage until the entire family deductible amount has been satisfied.

The deductible amount may be adjusted based on the cost-of-living adjustment determined under the Internal Revenue Code and rounded to the nearest \$50.

In any case, should two or more members of your family ever receive Covered Services as a result of injuries received in the same accident, only one program deductible will be applied against those Covered Services.

HOSPITAL BENEFIT SECTION

Expenses for Hospital care are usually the biggest of all health care costs. Your Hospital benefits will help ease the financial burden of these expensive services. This section of your Certificate tells you what Hospital services are covered and how much will be paid for each of these services.

The benefits of this section are subject to all of the terms and conditions of this Certificate. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this Certificate for additional information regarding any limitations and/or special conditions pertaining to your benefits.

In addition, the benefits described in this section will be provided only when you receive services on or after your Coverage Date and they are rendered upon the direction or under the direct care of your Physician. Such services must be Medically Necessary and regularly included in the Provider's charges.

The level of benefits paid for Hospital Covered Services is generally greater when received in a Plan Hospital or other Plan facility.

Remember, whenever the term "you" or "your" is used, we also mean all eligible family members who are covered under Family Coverage.

The following are Covered Services when you receive them as an Inpatient in a Hospital.

These tests are considered part of your Inpatient Hospital surgical stay.

(If the newborn child needs treatment for an illness or injury, benefits will be available for that care only if you have Family Coverage. You may apply for Family Coverage within 31 days of date of the birth. Your Family Coverage will then be effective from the date of the birth.)

Benefits will be provided for any hospital length of stay in connection with childbirth for the mother or newborn child for no less than 48 hours following a normal vaginal delivery, or no less than 96 hours following a cesarean section. PAYMENT PROVISIONS

Lifetime Maximum

The total maximum amount of benefits to which you are entitled under this Participating Provider Option program is \$5,000,000. This is an individual maximum. There is no family maximum.

As you use your benefits, a certain amount will automatically be restored to your lifetime maximum each year. This amount will be \$1,000 or the amount you have received in benefits that benefit period, whichever is less.

Cumulative Benefit Maximums

All benefits payable under this Certificate are cumulative. Therefore, in calculating the benefit maximums payable for a particular Covered Service or in calculating the remaining balance under the Lifetime Maximums, Blue Cross

and Blue Shield will include benefit payments under both this and/or any prior or subsequent Blue Cross and Blue Shield Certificate issued to you as an Eligible Person or a dependent of an Eligible Person under this Group.

OUT-OF-POCKET EXPENSE LIMIT

If you have Individual Coverage and your out-of-pocket expenses during one benefit period (the amount remaining unpaid for Covered Services after benefits have been provided) equal \$1,500, any additional eligible Claims (except for those charges specifically excluded below) during that benefit period will be paid at 100% of the Eligible Charge or Maximum Allowance.

This out-of-pocket expense limit may be reached by:

- the program deductible
- the Inpatient Hospital admission deductible(s)
- the emergency room Copayment
- the payments for which you are responsible after benefits have been provided.

The following expenses for Covered Services cannot be applied to the out-of-pocket expense limit and will not be paid at 100% of the Eligible Charge or Maximum Allowance when your out-of-pocket expense limit is reached:

- charges that exceed the Eligible Charge or Maximum Allowance
- Copayments resulting from noncompliance with the provisions of the Medical Services Advisory Program and/or the Blue Cross and Blue Shield Mental Health Unit.

If you have Family Coverage and your family's out-of-pocket expenses (the amount remaining unpaid for Covered Services after benefits have been provided) equal \$3,000 during one benefit period, then, for the rest of the benefit period, all other family members will have benefits for eligible Covered Services (except for those charges specifically excluded above) provided at 100% of the Eligible Charge or Maximum Allowance. Benefits under Family Coverage will not be provided at the 100% payment level until the entire family out-of-pocket expense limit has been met.

The out-of-pocket expense limit amount may be adjusted based on the cost-of-living adjustment determined under the Internal Revenue code and rounded to the nearest \$50.

EXTENSION OF BENEFITS IN CASE OF TERMINATION

If you are an Inpatient at the time your coverage under this Certificate is terminated, benefits will be provided for, and limited to, the Covered Services of this Certificate which are rendered by and regularly charged for by a Hospital, Skilled Nursing Facility, Substance Abuse Treatment Facility, Partial Hospitalization Treatment Program or Coordinated Home Care Program. Benefits will be provided until you are discharged or until the end of your benefit period, whichever occurs first.

HOSPICE CARE PROGRAM

Your Hospital coverage also includes benefits for Hospice Care Program Service.

Benefits will be provided for the Hospice Care Program Service described below when these services are rendered to you by a Hospice Care Program Provider. However, for benefits to be available you must have a terminal illness with a life expectancy of one year or less, as certified by your attending Physician, and you will no longer benefit from standard medical care or have chosen to receive hospice care rather than standard care. Also, a family member or friend should be available to provide custodial type care between visits from Hospice Care Program Providers if hospice is being provided in the home.

The following services are covered under the Hospice Care Program:

1. Coordinated Home Care;
2. Medical supplies and dressings;
3. Medication;
4. Nursing Services – Skilled and non-Skilled;
5. Occupational Therapy;
6. Pain management services;
7. Physical Therapy;
8. Physician visits;
9. Social and spiritual services.
10. Respite Care Service.

The following services are **not** covered under the Hospice Care Program:

1. Durable medical equipment;
2. Home delivered meals;
3. Homemaker services;
4. Traditional medical services provided for the direct care of the terminal illness, disease or condition;
5. Transportation, including but not limited, to Ambulance Transportation.

Notwithstanding the above, there may be clinical situations when short episodes of traditional care would be appropriate even when the patient remains in the hospice setting. While these traditional services are not eligible under this Hospice Care Program section, they may be Covered Services under other sections of this Certificate.

Benefit payment for Covered Services rendered by a Hospice Care Program Provider will be provided at the same level as described for Inpatient Hospital Covered Services.

BENEFITS FOR MEDICARE ELIGIBLE COVERED PERSONS

This section describes the benefits which will be provided for Medicare Eligible Covered Persons who are not affected by MSP laws, unless otherwise specified in this Certificate (see provisions entitled “Medicare Eligible Covered Persons” in the ELIGIBILITY SECTION of this Certificate).

The benefits and provisions described throughout this Certificate apply to you, however, in determining the benefits to be paid for your Covered Services, consideration is given to the benefits available under Medicare.

The process used in determining benefits under this Certificate is as follows:

1. determine what the payment for a Covered Service would be following the payment provisions of this Certificate and
2. deduct from this resulting amount the amount paid or payable by Medicare. (If you are eligible for Medicare, the amount that is available from Medicare will be deducted whether or not you have enrolled and/or received payment from Medicare.) The difference, if any, is the amount that will be paid under this Certificate.

When you have a Claim, you must send Blue Cross and Blue Shield a copy of your Explanation of Medicare Benefits (“EOMB”) in order for your Claim to be processed. In the event you are eligible for Medicare but have not enrolled in Medicare, the amount that would have been available from Medicare, had you enrolled, will be used.

EXCLUSIONS—WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Hospitalization, services and supplies which are not Medically Necessary.**

No benefits will be provided for services which are not, in the reasonable judgment of Blue Cross and Blue Shield, Medically Necessary. Medically Necessary means that a specific medical, health care or Hospital service is required, in the reasonable medical judgment of Blue Cross and Blue Shield, for the treatment or management of a medical symptom or condition and that the service or care provided is the most efficient and economical service which can safely be provided.

Hospitalization is not Medically Necessary when, in the reasonable medical judgment of Blue Cross and Blue Shield, the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician's office, the Outpatient department of a Hospital or some other setting without adversely affecting the patient's condition.

Examples of hospitalization and other health care services and supplies that are not Medically Necessary include:

- Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician's office or Hospital Outpatient department.
- Hospital admissions primarily for diagnostic studies (x-ray, laboratory and pathological services and machine diagnostic tests) which could have been provided safely and adequately in some other setting, e.g., Hospital Outpatient department or Physician's office.
- Continued Inpatient Hospital care, when the patient's medical symptoms and condition no longer require their continued stay in a Hospital.
- Hospitalization or admission to a Skilled Nursing Facility, nursing home or other facility for the primary purposes of providing Custodial Care Service, convalescent care, rest cures or domiciliary care to the patient.
- Hospitalization or admission to a Skilled Nursing Facility for the convenience of the patient or Physician or because care in the home is not available or is unsuitable.
- The use of skilled or private duty nurses to assist in daily living activities, routine supportive care or to provide services for the convenience of the patient and/or his family members.

These are just some examples, not an exhaustive list, of hospitalizations or other services and supplies that are not Medically Necessary.

Blue Cross and Blue Shield will make the decision whether hospitalization or other health care services or supplies were not Medically Necessary and therefore not eligible for payment under the terms of your Certificate. In most instances this decision is made by Blue Cross and Blue Shield **AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED.**

The fact that your Physician may prescribe, order, recommend, approve or view hospitalization or other health care services and supplies as Medically Necessary does not make the hospitalization, services or supplies Medically Necessary and does not mean that Blue Cross and Blue Shield will pay the cost of the hospitalization, services or supplies.

If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with Blue Cross and Blue Shield's decision, your policy provides for an appeal of that decision. You must exercise your right to this appeal as a precondition to the taking of any further action against Blue Cross and Blue Shield, either at law or in equity. To initiate your appeal, you must give Blue Cross and Blue Shield written notice of your intention to do so within 180 days after you have been notified that your Claim has been denied by writing to:

Claim Review Section
Health Care Service Corporation
P.O. Box 2401
Chicago, Illinois 60690

You may furnish or submit any additional documentation which you or your Physician believe appropriate.

REMEMBER, EVEN IF YOUR PHYSICIAN PRESCRIBES, ORDERS, RECOMMENDS, APPROVES OR VIEWS HOSPITALIZATION OR OTHER HEALTH CARE SERVICES AND SUPPLIES AS MEDICALLY NECESSARY, BLUE CROSS AND BLUE SHIELD WILL NOT PAY FOR THE HOSPITALIZATION, SERVICES AND SUPPLIES IF IT DECIDES THEY WERE NOT MEDICALLY NECESSARY.

COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have health care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled but no more than the actual cost of the care received. In other words, the total payment from all of your coverages together will not add up to be more than the total charges that you have incurred. It is your obligation to notify Blue Cross and Blue Shield of the existence of such other group coverages.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.
2. When a dependent child receives services, the birthdays of the child's parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent's birthday in the calendar year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this "birthday" type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.
 - However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;
 - when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to notify Blue Cross and Blue Shield, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

Blue Cross and Blue Shield has the right in administering these COB provisions to:

- pay any other organization an amount which it determines to be warranted if payments which should have been made by Blue Cross and Blue Shield have been made by such other organization under any other group program.
- recover any overpayment which Blue Cross and Blue Shield may have made to you, any Provider, insurance company, person or other organization.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the Eligible Person (see definitions) at the time of termination. The provisions described in Article B will apply if you are the spouse of a retired Eligible Person and at least 55 years of age or former spouse of an Eligible Person who has died or from whom you have been divorced. The provisions described in Article C will apply if you are the dependent child of an Eligible Person who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided under Article B.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: Continuation of coverage if you are the Eligible Person

If an Eligible Person's coverage under this Certificate should terminate because of termination of employment or membership or because of a reduction in hours below the minimum required for eligibility, an Eligible Person will be entitled to continue the Hospital, Surgical-Medical and/or Major Medical coverage provided under this Certificate for himself/herself and his/her eligible dependents (if he/she had Family Coverage on the date of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation of coverage will be available to you only if you have been continuously insured under this Certificate for at least 3 months prior to your termination date or reduction in hours below the minimum required for eligibility.
2. Continuation of coverage will not be available to you if: (a) you are covered by Medicare or (b) you have coverage under any other health care program which provides group hospital, surgical or medical coverage and under which you were not covered immediately prior to such termination or reduction in hours below the minimum required for eligibility, or (c) you decide to become a member of Blue Cross and Blue Shield on a "direct pay" basis.
3. If you decide to become a member of Blue Cross and Blue Shield on a "direct pay" basis, you may not, at a later date, elect the continuation of coverage option under this Certificate. Upon termination of the continuation of coverage period as explained in paragraph 6 below, the provisions of this Certificate pertaining to "Extension of Benefits in Case of Termination" will apply and you may exercise the Conversion Privilege explained in the ELIGIBILITY section of this Certificate.

4. Upon termination of employment or membership or reduction in hours below the minimum required for eligibility, your Group will provide you with written notice of this option to continue your coverage. If you decide to continue your coverage, you must notify your Group, in writing, no later than 10 days after your coverage has terminated or reduction in hours below the minimum required for eligibility or 10 days after the date you received notice from your Group of this option to continue coverage. However, in no event will you be entitled to your continuation of coverage option more than 60 days after your termination or reduction in hours below the minimum required for eligibility.
5. If you decide to continue your coverage under this Certificate, you must pay your Group on a monthly basis, in advance, the total charge required by Blue Cross and Blue Shield for your continued coverage, including any portion of the charge previously paid by your Group. Payment of this charge must be made to Blue Cross and Blue Shield (by your Group) on a monthly basis, in advance, for the entire period of your continuation of coverage under this Certificate.
6. Continuation of coverage under this Certificate will end on the date you become eligible for Medicare, become a member of Blue Cross and Blue Shield on a “direct pay” basis or become covered under another health care program (which you did not have on the date of your termination or reduction in hours below the minimum required for eligibility) which provides group hospital, surgical or medical coverage. However, your continuation of coverage under this Certificate will also end on the first to occur of the following:
 - a. The date nine months after the date the Eligible Person’s coverage under this Certificate would have otherwise ended because of termination of employment or membership or reduction in hours below the minimum required for eligibility.
 - b. If you fail to make timely payment of required charges, coverage will terminate at the end of the period for which your charges were paid.
 - c. The date on which the Group Policy is terminated. However, if this Certificate is replaced by similar coverage under another group policy, the Eligible Person will have the right to become covered under the new coverage for the amount of time remaining in the continuation of coverage period. When your continuation of coverage period has expired, the provisions of this Certificate entitled EXTENSION OF BENEFITS IN CASE OF TERMINATION (when applicable) will apply to you.

ARTICLE B: Continuation of Coverage if you are the former spouse of an Eligible Person or spouse of a retired Eligible Person

If the coverage of the spouse of an Eligible Person should terminate because of the death of the Eligible Person, a divorce from the Eligible Person, or the retirement of an Eligible Person, the former spouse or retired Eligible Person’s spouse if at least 55 years of age will be entitled to continue the coverage pro-

vided under this Certificate for himself/herself and his/her eligible dependents (if Family Coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Eligible Person or spouse of a retired Eligible Person only if you provide the employer of the Eligible Person with written notice of the dissolution of marriage, the death or retirement of the Eligible Person within 30 days of such event.
2. Within 15 days of receipt of such notice, the employer of the Eligible Person will give written notice to Blue Cross and Blue Shield of the dissolution of your marriage to the Eligible Person, the death of the Eligible Person or the retirement of the Eligible Person as well as notice of your address. Such notice will include the Group number and the Eligible Person's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Eligible Person, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage and your covered dependents under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.
 - c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.
3. In the event you fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Eligible Person under this Certificate as a result of the dissolution of marriage, the death or the retirement of the Eligible Person. Your right to continuation of coverage will then be forfeited.
4. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, with Individual or Family Coverage, as the case may be, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginning with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.

7. Termination of Continuation of Coverage:

If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

- a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
- b. on the date coverage would otherwise terminate under this Certificate if you were still married to the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death or entry of judgment dissolving the marriage existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.
- c. the date on which you remarry.
- d. the date on which you become an insured employee under any other group health plan.
- e. the expiration of 2 years from the date your continued coverage under this Certificate began.

8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

- a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
- b. on the date coverage would otherwise terminate, except due to the retirement of the Eligible Person, under this Certificate if you were still married to the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death, retirement or entry of judgment dissolving the marriage existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.
- c. the date on which you remarry.
- d. the date on which you become an insured employee under any other group health plan.

- e. the date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.
9. If you exercise the right to continuation of coverage under this Certificate you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
10. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a “direct pay” basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
11. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE C: Continuation of Coverage if you are the dependent child of an Eligible Person

If the coverage of a dependent child should terminate because of the death of the Eligible Person and the dependent child is not eligible to continue coverage under ARTICLE B or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the dependent child of an Eligible Person only if you, or a responsible adult acting on your behalf as the dependent child, provide the employer of the Eligible Person with written notice of the death of the Eligible Person within 30 days of the date the coverage terminates.
2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Eligible Person with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.
3. Within 15 days of receipt of such notice, the employer of the Eligible Person will give written notice to Blue Cross and Blue Shield of the death of the Eligible Person or of the dependent child reaching the limiting age, as well as notice of the dependent child’s address. Such notice will include the Group number and the Eligible Person’s identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Eligible Person, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield’s notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

- c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.
4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Eligible Person under this Certificate as a result of the death of the Eligible Person or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.
5. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
6. The monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:
 - a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Eligible Person.
 - c. the date on which you become an insured employee, after the date of election, under any other group health plan.
 - d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a "direct pay" basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.

10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;

- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or

both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. HOW TO FILE A CLAIM

In order to obtain your benefits under this Certificate, it is necessary for a Claim to be filed with Blue Cross and Blue Shield. To file a Claim, usually all you will have to do is show your Blue Cross and Blue Shield ID card to your Hospital or Physician (or other Provider). They will file your Claim for you. Remember however, it is your responsibility to insure that the necessary Claim information has been provided to Blue Cross and Blue Shield.

Once Blue Cross and Blue Shield receives your Claim, it will be processed and the benefit payment will usually be sent directly to the Hospital or Physician. You will receive a statement telling you how much was paid. In some cases Blue Cross and Blue Shield will send the payment directly to you or if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on Blue Cross and Blue Shield's records.

In certain situations, you will have to file your own Claims. This is primarily true when you are receiving services or supplies from Providers other than a Hospital or Physician. An example would be when you have had ambulance expenses. To file your own Claim, follow these instructions:

1. Complete a Claim Form. These are available from your Group Administrator or from your local Blue Cross and Blue Shield office.
2. Attach copies of all bills to be considered for benefits. These bills must include the Provider's name and address, the patient's name, the diagnosis, the date of service and a description of the service and the Claim Charge.
3. Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Illinois
P. O. Box 805107
Chicago, Illinois 60680-4112

In any case, Claims should be filed with Blue Cross and Blue Shield on or before December 31st of the calendar year following the year in which your Covered Service was rendered. (A Covered Service furnished in the last month of a particular calendar year shall be considered to have been furnished the succeeding calendar year.) **Claims not filed within the required time period will not be eligible for payment.**

Should you have any questions about filing Claims, ask your Group Administrator or call your local Blue Cross and Blue Shield office.

CLAIMS PROCEDURES

Blue Cross and Blue Shield will pay all Claims within 30 days of receipt of all information required to process a Claim. In the event that Blue Cross and Blue Shield does not process a Claim within this 30-day period, you or the valid assignee shall be entitled to interest at the rate of 9% per year, from the 30th day after the receipt of all Claim information until the date payment is actually made. However, interest payment will not be made if the amount is \$1.00 or less. Blue Cross and Blue Shield will notify you or the valid assignee when all information required to pay a Claim within 30 days of the Claim's receipt has

not been received. (For information regarding assigning benefits, see “Payment of Claims and Assignment of Benefits” provisions in the GENERAL PROVISIONS section of this Certificate.)

If the Claim is denied in whole or in part, you will receive a notice from Blue Cross and Blue Shield with: (1) the reasons for denial; (2) a reference to the health care plan provisions on which the denial is based; (3) a description of additional information which may be necessary to perfect the appeal, and (4) an explanation of how you may have the Claim reviewed by Blue Cross and Blue Shield if you do not agree with the denial.

CLAIM REVIEW PROCEDURES

If your Claim has been denied in whole or in part, you may have your Claim reviewed. Blue Cross and Blue Shield will review its decision in accordance with the following procedure.

Within 180 days after you receive notice of a denial or partial denial, write to Blue Cross and Blue Shield. Blue Cross and Blue Shield will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Claim Review Section
Health Care Service Corporation
P.O. Box 2401
Chicago, Illinois 60690

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative.

While Blue Cross and Blue Shield will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. Blue Cross and Blue Shield will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claims procedures or the review procedure, write or call Blue Cross and Blue Shield Headquarters. Blue Cross and Blue Shield offices are open from 8:45 A.M. to 4:45 P.M., Monday through Friday.

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

GENERAL PROVISIONS

1. BLUE CROSS AND BLUE SHIELD'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

Blue Cross and Blue Shield hereby informs you that it has contracts with certain Providers (“Plan Providers”) in its service area to provide and pay for health care services to all persons entitled to health care benefits under health policies and contracts to which Blue Cross and Blue Shield is a party, including all persons covered under this Certificate. Under certain circumstances described in its contracts with Plan Providers, Blue Cross and Blue Shield may:

- receive substantial payments from Plan Providers with respect to services rendered to you for which Blue Cross and Blue Shield was obligated to pay the Plan Provider, or
- pay Plan Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Plan Providers other substantial allowances under Blue Cross and Blue Shield's contracts with them.

In the case of Hospitals and other facilities, the calculation of any out-of-pocket maximums or any maximum amounts of benefits payable by Blue Cross and Blue Shield under this Certificate and the calculation of all required deductible and Coinsurance amounts payable by you under this Certificate shall be based on the Eligible Charge or Provider's Claim Charge for Covered Services rendered to you, reduced by the Average Discount Percentage (“ADP”) applicable to your Claim or Claims. Your Group has been advised that Blue Cross and Blue Shield may receive such payments, discounts and/or other allowances during the term of the Policy. Neither the Group nor you are entitled to receive any portion of any such payments, discounts and/or other allowances in excess of the ADP.

To help you understand how Blue Cross and Blue Shield's separate financial arrangements with Providers work, please consider the following example:

- a. Assume you go into the Hospital for one night and the normal, full amount the Hospital bills for Covered Services is \$1,000. How is the \$1,000 bill paid?
- b. You personally will have to pay the deductible and Coinsurance amounts set out in your Certificate.
- c. However, for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums, the Hospital's Eligible Charge would be reduced by the ADP applicable to your Claim. In our example, if the applicable ADP were 30%, the \$1,000 Hospital bill would be reduced by 30% to \$700 for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums.

- d. Assuming you have already satisfied your deductible, you will still have to pay the Coinsurance portion of the \$1,000 Hospital bill after it has been reduced by the ADP. In our example, if your Coinsurance obligation is 20%, you personally will have to pay 20% of \$700, or \$140. You should note that your 20% Coinsurance is based on the full \$1,000 Hospital bill, after it is reduced by the applicable ADP.
- e. After taking into account the deductible and Coinsurance amounts, Blue Cross and Blue Shield will satisfy its portion of the Hospital bill. In most cases, Blue Cross and Blue Shield has a contract with Hospitals that allows it to pay less, and requires the Hospital to accept less, than the amount of money Blue Cross and Blue Shield would be required to pay if it did not have a contract with the Hospital.

So, in the example we are using, since the full Hospital bill is \$1,000, your deductible has already been satisfied, and your Coinsurance is \$140, then Blue Cross and Blue Shield has to satisfy the rest of the Hospital bill, or \$860. Assuming Blue Cross and Blue Shield has a contract with the Hospital, Blue Cross and Blue Shield will usually be able to satisfy the \$860 bill that remains after your Coinsurance and deductible, by paying less than \$860 to the Hospital, often substantially less than \$860. Blue Cross and Blue Shield receives, and keeps for its own account, the difference between the \$860 bill and whatever Blue Cross and Blue Shield ultimately pays under its contracts with Plan Providers, and neither you nor your Group are entitled to any part of these savings.

Other Blue Cross and Blue Shields' Separate Financial Arrangements with Providers

Blue Card

Blue Cross and Blue Shield hereby informs you that other Blue Cross and Blue Shield Plans outside of Illinois ("Host Blue") may have contracts similar to the contracts described above with certain Providers ("Host Blue Providers") in their service area.

When you receive health care services through BlueCard outside of Illinois and from a Provider which does not have a contract with Blue Cross and Blue Shield, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your Covered Services, or
- The negotiated price that the Host Blue passes on to Blue Cross and Blue Shield.

To help you understand how this calculation would work, please consider the following example:

- a. Suppose you receive covered medical services for an illness while you are on vacation outside of Illinois. You show your identification card to the provider to let him or her know that you are covered by Blue Cross and Blue Shield of Illinois.

- b. The provider has negotiated with the Host Blue a price of \$80, even though the provider's standard charge for this service is \$100. In this example, the provider bills the Host Blue \$100.
- c. The Host Blue, in turn, forwards the claim to Blue Cross and Blue Shield of Illinois and indicates that the negotiated price for the covered service is \$80. Blue Cross and Blue Shield of Illinois would then base the amount you must pay for the service – the amount applied to your deductible, if any, and your coinsurance percentage – on the \$80 negotiated price, not the \$100 billed charge.
- d. So, for example, if your coinsurance is 20%, you would pay \$16 (20% of \$80), not \$20 (20% of \$100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your deductible and that there are no copayments associated with the service rendered. Your deductible(s), Coinsurance and Copayment(s) are specified in this Certificate.

Often, this “negotiated price” will consist of a simple discount which reflects the actual price paid by the Host Blue. Sometimes, however, it is an estimated price that factors into the actual price increases or reductions to reflect aggregate payment from expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The negotiated price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The negotiated price will also be adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating your liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state statutes mandate your liability calculation methods that differ from the usual BlueCard method noted above or require a surcharge, Blue Cross and Blue Shield would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

Blue Cross and Blue Shields' Separate Financial Arrangements with Prescription Drug Providers

Blue Cross and Blue Shield hereby informs you that it has contracts, either directly or indirectly, with Prescription Drug Providers (“Participating Prescription Drug Providers”) to provide prescription drug services to all persons entitled to prescription drug benefits under health policies and contracts to which Blue Cross and Blue Shield is a party, including all per-

sons covered under this Certificate. Under its contracts with Participating Prescription Drug Providers, Blue Cross and Blue Shield may receive from these Providers discounts for prescription drugs dispensed to you.

In addition, Blue Cross and Blue Shield has entered into agreements with certain entity(ies) to provide, on Blue Cross and Blue Shield's behalf, Claim Payments and certain administrative services for your prescription drug benefits. This entity(ies) is referred to as a pharmacy benefit manager. The pharmacy benefit manager has agreements with pharmaceutical manufacturers to receive rebates for using their products. The pharmacy benefit manager shares a portion of those rebates with Blue Cross and Blue Shield. Neither the Group nor you are entitled to receive any portion of such rebates as they are figured into the pricing of the product.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

- a. Under this Certificate, Blue Cross and Blue Shield has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, Blue Cross and Blue Shield may pay benefits to you if you receive Covered Services from a Non-Plan Provider. Blue Cross and Blue Shield is specifically authorized by you to determine to whom any benefit payment should be made.
- b. Once Covered Services are rendered by a Provider, you have no right to request Blue Cross and Blue Shield not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, Blue Cross and Blue Shield will have no liability to you or any other person because of its rejection of such request.
- c. A Covered Person's claim for benefits under this Certificate is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Certificate is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

- a. The choice of a Provider is solely your choice and Blue Cross and Blue Shield will not interfere with your relationship with any Provider.
- b. Blue Cross and Blue Shield does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. Blue Cross and Blue Shield is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by Blue Cross and Blue Shield. Any contractual relationship between a Physician and a

Plan Hospital or other Plan Provider shall not be construed to mean that Blue Cross and Blue Shield is providing professional service.

- c. The use of an adjective such as Plan or Participating in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Plan, Participating or any similar modifier or the use of a term such as Non-Plan or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.
- d. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Group (other than as an individual Covered Person) or your Group's ERISA Health Benefit Program.

4. AGENCY RELATIONSHIPS

The Group is your agent under this Certificate. The Group is not the agent of Blue Cross and Blue Shield.

5. NOTICES

Any information or notice which you furnish to Blue Cross and Blue Shield under this Certificate must be in writing and sent to Blue Cross and Blue Shield at its offices at 300 East Randolph, Chicago, Illinois 60601-5099 (unless another address has been stated in this Certificate for a specific situation). Any information or notice which Blue Cross and Blue Shield furnishes to you must be in writing and sent to you at your address as it appears on Blue Cross and Blue Shield's records or in care of your Group and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on Blue Cross and Blue Shield's records.

6. LIMITATIONS OF ACTIONS

No legal action may be brought to recover under this Certificate, prior to the expiration of sixty (60) days after a Claim has been furnished to Blue Cross and Blue Shield in accordance with the requirements of this Certificate. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to Blue Cross and Blue Shield in accordance with the requirements of this Certificate.

7. INFORMATION AND RECORDS

You agree that it is your responsibility to ensure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under this Certificate, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent

to such Claim or Claims, furnish to Blue Cross and Blue Shield or its agent, and agree that any such Provider, person or other entity may furnish to Blue Cross and Blue Shield or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such illness, injury, Claim or Claims. In addition, Blue Cross and Blue Shield may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same. It is also your responsibility to furnish Blue Cross and Blue Shield and/or your employer or group administrator information regarding your or your dependents becoming eligible for Medicare, termination of Medicare eligibility or any change in Medicare eligibility status in order that Blue Cross and Blue Shield be able to make Claim Payments in accordance with MSP laws.

8. CONFORMITY WITH STATE STATUTES

Laws in some states require that certain benefits or provisions be provided to you if you are a resident of their state when the policy that insures you is not issued in your state. Any provision of this Certificate which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

REIMBURSEMENT PROVISION

If you or one of your covered dependents incur expenses for sickness or injury that occurred due to the negligence of a third party and benefits are provided for Covered Services described in this Certificate, you agree:

- a. Blue Cross and Blue Shield has the right to reimbursement for all benefits Blue Cross and Blue Shield provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of that sickness or injury, in the amount of the total Eligible Charge or Provider's Claim Charge for Covered Services for which Blue Cross and Blue Shield has provided benefits to you, reduced by any Average Discount Percentage ("ADP") applicable to your Claim or Claims.
- b. Blue Cross and Blue Shield is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits Blue Cross and Blue Shield provided for that sickness or injury.

Blue Cross and Blue Shield shall have the right to first reimbursement out of all funds you, your covered dependents or your legal representative, are or were able to obtain for the same expenses for which Blue Cross and Blue Shield has provided benefits as a result of that sickness or injury.

You are required to furnish any information or assistance or provide any documents that Blue Cross and Blue Shield may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability.
