August 14th, 2017

Dear Parents/Guardians and Students,

I hope everyone had a great summer and is ready to come back to school! I know that some of you have already met me. My name is Shannon McGuckin and I am excited to be the principal at Prairie Central Primary East. I have been in the education field for fourteen years. Nine of those have been with the Prairie Central School District.

At Prairie Central Primary East, we believe in working together to develop the uniqueness of each child and to provide *all* students with the opportunity to become responsible and productive members of society. The teachers, staff, and administration here are committed to your child's social, emotional, and intellectual development and pledge to strive on a daily basis to hold *all* students to a high standard in all aspects of school and life. Our goal is to help students find a sense of purpose and excitement in their learning, so they can become lifelong learners, problem solvers, and leaders both *within* and *beyond* the walls of our school. We have high expectations for *all* of our students this year, and we believe that, with support and motivation from both school and home, each child has the ability to meet the challenges that he/she will encounter throughout this school year.

We look forward to meeting you and working with you throughout the year. Please work with us in our effort to keep you involved in and informed about your child's activities and endeavors at school. If you have any questions or concerns throughout the school year, please do not hesitate to call me directly or to contact your child's teacher. We are looking forward to a happy and successful school year with all the families and students of Prairie Central Primary East.

Sincerely,

Mrs. Shannon McGuckin
Principal
