04/17/2018

Screenings are opened to children Birth to 5 years of age within the Livingston County Special Services Unit Co-op. Children who have been screened in the past and have no developmental concerns need not attend. Areas screened include: vision, hearing, speech & language, learning, motor & social-emotional.

If your school is not offering a fall screening and your child needs to be screened, please make an appointment at the screening closest to your school district. Screening files will be forwarded to the proper district.
