

Registration has opened! Thank you for your patience in this matter. Please check your email for information on how to enter the portal to register your child(ren) at your earliest convenience. The system will use the email address that you submitted to the school last year. If you have problems with the process or have not received an email, please contact Cheryl Hoffman at the Unit Office at 815-692-2504.

Once you have your access codes you can create your account and start the registration process here: <https://prairieil.infinitecampus.org/campus/portal/prairie.jsp>

*If you do NOT have access to technology and/or would like help completing the online registration, schools will be open for this purpose on the following schedule:

Monday, August 12: All schools 8:00-3:00, PCJH and PCHS 3:00-6:00 pm

Tuesday, August 13: All schools 8:00-3:00, PCP East, PCP West, PC Elementary, and PC Upper Elementary 3:00-6:00 pm

Helpful Hints:

*If you would like to register your children *from your smart phone*, go to your App Store and search "Campus Parent". This is an Infinite Campus app, which will make the process of registration much easier than using the web-based application on your phone! (Also, you can continue to use this app throughout the year to access your student's information.)

*If you have changed your email address or physical address, you will be required to call the Unit Office before your students can be registered. ([815-692-2504](tel:815-692-2504))

*Read the *ENTIRE* email sent to you for registration. It will be helpful in avoiding pitfalls that will prevent successful registration.
