Greetings!

As Governor of the State of Illinois, it is my pleasure to welcome you back to Prairie Central High School.

As a student, your academic career will present you with unique challenges and learning opportunities. The cemetery project will further this impressive work through emphasizing the relationship between your academic career, extra-curricular activities, and giving back to your community. I am certain that the cemetery project will go a long way toward furthering your goals into the future, both individually and collectively.

On behalf of the people of the Land of Lincoln, I offer my best wishes for much success on the cemetery project and continued success in all your future endeavors.
